

Aghora Gauri Pasupatam

This procedure is a great remedy for attaining good prospective alliance for bachelorettes. Aghora Gauri Pashupatam is one of the most important Pashupatam mentioned in the Shastras for pleasing Lord Parameshwara. By performing special consecration, worship, and offering prayers with Rudra namaka and chamakas, any dosha (defect) causing delays in marriages for brides can be rectified, ensuring their well-being without fail. With devotion and faith, performing this consecration and worship daily along with chanting Aghora Gauri Pashupatam mantra as much as possible is necessary.

Aghora Gauri Pasupata Rudrabhishek Puja

If Guru Mantra Deeksha was taken, Guru Mantra should be recited twice; if not, the following shloka should be recited twice, either with Guru Mudra or Namaskara Mudra.

**Gururbrahma, Gururvishnuh, Gururdevo Maheshwarah,
Gurussakshat Parabrahma, TasmaiOm Gurave Namah.**

2. Ganapati Dhyanam (Meditation of Lord Ganesha)

If Ganapati Mantra Deeksha was taken, Ganapati Mantra should be recited four times with Namaskara Mudra; if not, the following sloka should be recited once.

**Shuklambaradharam Vishnum, Sashivarnam Chaturbhujam,
Prasanna Vadanam Dhyayet, sarva vighnopathantaye.**

3. Achamana

Water should be poured into the right hand with a uddharina (not a steel one) and the following mantras should be recited one at a time, each time drinking water without touching the upper lip.

**Aim Atma Tatvaya Swaha
Kleem Vidya Tatvaya Swaha
Sauh Shiva Tatvaya Swaha**

Now while reciting the following mantra, pour water in the right hand and drop through the gap between middle finger and ring finger into the plate.

Aim kleem sauh sarva tatvebhyah svaha

4. Pranayama

Closing the left nostril with the ring finger of the right hand, inhale through the right nostril and chant the Gayatri Mantra once (Om bhurbhuvasvah tatsa vithurvarenyam, bhargo devasya dhimahi, dhyoyonah prachodayat).

Close the right nostril with the right thumb, hold the breath and chant the Gayatri mantra twice.

Open the left nostril and exhale through it, chant the Gayatri Mantra once .

Finally, after exhaling the air completely, chant the Gayatri Mantra once, holding the breath (inhaling and exhaling).

Repeat the above process by inhaling again through the left nostril. It is a pranayama. If you do this process three times every day for few years, you will get a dynamic divine body according to the Shastras.

5. Sankalpam

Take Akshata mixed with Turmeric in the right hand, close the first, place the right fist on the left palm, keep both together on the right thigh, and say the following sankalpa.

mama upātta samasta durita kṣaya dvārā, śrī parameśvara anugraheṇa, sakala graha doṣa parihāra dvārā, satvara satkalyāṇa yogyatā siddhyartham aghora gaurī pāśupata saṃpuṭīkṛta rudra namaka chamaka sahita rudrābhiṣeka pūjāṃ kariṣyē.
